

Gift Mom an Individual Breathwork Session - Save \$40

at Blue Sky Breath

Many people say, 'breathwork feels like 10 years of therapy without all of the talking'. Why not give the gift of breathwork this Mother's Day? Heck, why not show yourself some love & give the gift of healing to yourself? After participating in breathwork, many people experience enhanced creativity, reduced stress and anxiety and a general sense of well-being. Why not release any negative emotional baggage and get undeniable results. Give a try, you'll see for yourself!
